Young Scholar's Programme (YSP) - Class 7th to 10th

The Radiant Academy is a premier institute for training students for competitive examinations. JEE (Main and Advanced), NEET, NTSE, KVPY, IJSO and state and national board examinations. The Radiant Academy has two main divisions

- I. **Advanced Scholar's Programme (ASP)** - for students studying in classes XI, XI and XII Passed and preparing for engineering and medical entrance examinations viz. JEE Main and Advance, NEET (UG) and KVPY.
- II. **Young Scholar's Programme (YSP)** – pre-foundation courses for students studying in classes VII to X and preparing for Board exams, Olympiads, NTSE and IJSO

The Admission is now open for all classroom programs of classes 7th to 10th for academic session 2021-22. This year due to Covid-19 pandemic, Direct Admissions are being given to all students applying for Young Scholar's Programme (YSP) courses.

The batches for new session (2021-22) will start on April 5th, 2021.

A new age programme preparing students for the future

For the first time in the coaching history, new elective courses are being offered to all the students at no extra fee. Students will be able to choose one course of their interest as an elective and get trained by experts in the field. Course choices will include subjects like **Computer Programming, Robotics, Public Speaking & Presentation skills**. Year long classes will be taken in these subjects along with regular subjects.

The Radiant Way – unique teaching methodology

Every part of the Radiant teaching system follows a set of standards with focus on innovation and continuous improvement. Application based teaching, thorough course planning with regular and doubt solving classes, rigorous testing and assessment, regular personalised feedback, mental performance coaching and high quality study material is at the core of Radiant's methodology.
