The Radiant Academy, a premier institute for training students for competitive examinations - JEE (Main and Advanced), NEET, NTSE, KVPY, IJSO and state and national board examinations, announces admissions for session 2021-22. The Radiant Academy has two main divisions -

I. **Advanced Scholar's Programme (ASP)** - for students studying in classes XI, XI and XII Passed and preparing for engineering and medical entrance examinations viz. JEE Main and Advance, NEET (UG) and KVPY.

II. **Young Scholar's Programme (YSP)** –pre-foundation courses for for students studying in classes VII to X and preparing for Board exams, Olympiads, NTSE and IJSO.

A new age programme preparing students for the future

For the first time in the coaching history, new elective courses are being offered to all the students of YSP programme at no extra fee. Students will be able to choose one course of their interest as an elective and get trained by experts in the field. Course choices will include subjects like **Computer Programming, Robotics, Public Speaking & Presentation skills**. Year long classes will be taken in these subjects along with regular subjects.

The Admission is now open for all classroom programs of classes 7th to 12th for academic session 2021-22. This year due to Covid-19 pandemic, **Direct Admissions** are being given to all students applying for JEE (Main + Advanced), NEET (UG) and Pre-Foundation courses. All the students enrolled in these courses would have an opportunity to compete for Scholarship (up-to 90% of Tuition Fee) by participating in :

Radiant Admission cum Scholarship Test (RSAT) - A scholarship test which will be conducted multiple times during February and March 2021.
