Vision, Mission and Values

At **Radiant Academy**, we strongly believe in making a difference through excellence in everything we do. The success of our academy is based on the success of students and it is our duty to enhance performance of our students to the best possible levels. Transforming lives of young generation through our training is an immense responsibility that we do not take lightly and therefore all our actions are guided by **our Mission, Vision and Values..**

OUR MISSION

Ignite young minds to fulfill their dreams by determination, hard work and pursuit of excellence.

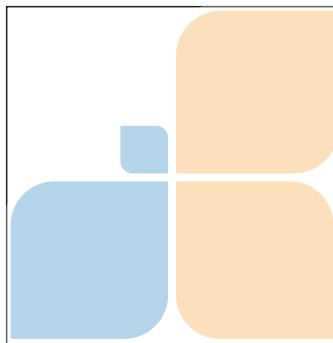

OUR VISION

Excellence in Education

OUR VALUES

1. Interest of students above everything
2. Integrity and transparency
3. Relentless pursuit of Innovation and Excellence

A Letter to Students

Dear Student,

Thank you for your interest in The Radiant Academy.

The Radiant Academy is an educational institute formed by a group of passionate, caring and highly experienced teachers coming together to provide a transformative academic experience to the students and help them succeed in pursuing their dreams. The academy is a preparatory institute for competitive engineering and medical entrance examinations - JEE (Main and Advanced), NEET, NTSE, IJSO, IESO, STSE and state and national board examinations.

To compete with the best, you need guidance from one of the best and most experienced faculties and a caring staff. The Radiant Academy was formed with a vision of providing exceptionally high standards of education. At Radiant, you will have access to best expertise and care to realise your dreams.

Success in competitive examinations require high degree of dedication, hard work, mental and physical discipline. We, therefore, seek only the sincere, hard-working and committed students for our courses.

To enroll in our yearlong classroom programs for preparation of competitive examination you will normally have to qualify in Radiant Scholarship cum Admission Test (R-SAT). However, due to COVID-19 situation, direct admissions are available on the basis of your prior class marksheets. You would have an option to appear for R-SAT or STAR to get higher scholarship than already awaited.

For details regarding the various courses offered by RADIANT & other relevant information, please refer to our Information Brochure and the Radiant Guide. The contents in the information brochure and the Radiant Guide will be of great use to the students to know more about the institute, its academic environment and the rules & regulations.

We look forward to guide you and partner with you and the parents to help you realise your dreams.

With Best Wishes,

- If a student pays full fee in advance & becomes eligible for any other 'better' scholarship then his excess amount will be refunded through NEFT (only) in designated account.
- The Scholarship which is awarded in R-SAT or STAR are also applicable in R-SAT Fee only.

Radiant Scholarship Program (RSP)

6. In a Two-year Course, the scholarship provided shall be applicable for the first academic session (one year) only. The scholarship in the second academic session (i.e in the second year of the course) will only be provided on the basis of student's academic performance (% marks in periodic/cumulative tests conducted by the institute throughout the first academic session) and his/her overall conduct as perceived by the faculty & administration of the institute.
7. The student has to submit photocopy of an authentic document proving his/her eligibility to avail the disbursement of scholarship amount under GSP.
8. If a student receives any of the rewards as mentioned above during the course period & if he/she decides to leave the institute/withdraw from the course/shows continuous/frequent absenteeism before the completion of course at any stage; the institute will have all the rights to recover the reward amount/any other financial expenses incurred from the student. This may involve legal proceedings; if required.
9. A student eligible for the above scholarships Program may be denied or stripped off from the scholarship if his/her name is published/declared in public domain by any other institute/organization as a classroom/distance learning/e-learning student to take the credit of his/her selection as part of its promotional strategy. The institute will have all the rights to recover the Scholarship amount/any other financial expenses incurred from the student. This may involve legal proceedings; if required.
10. Any scholarship is within discretionary power of The Radiant Academy & is not a matter of right for a student. The Radiant Academy reserves the right to increase/decrease/remove scholarship categories mentioned above at any point of time & without explaining any reason. Decision of Managing Director of The Radiant Academy shall be final in this regard.
11. Any dispute will be subject to Udaipur Jurisdiction only.
